

DGPS win Inter-School Quiz Competition 2017

DGPS won the Al Diyafah High School Inter-School Quiz Competition on March 2, 2017, with a sterling performance, beating five other strong teams along the way.

It was a sunny morning when four proud students of the Dubai Gem Private School embarked on their title quest to represent the school at the annual Al Diyafah High School Inter-School Quiz Competition for 2017.

The four students were: Rida Danish and Vedika Manghnani of Year 9, and Pashan Sidhwa and Partha Shetty of Year 10. Accompanying them was Mrs.Nitu Nagar.

It was a strong field participating in the competition. In the fray were teams from: Al Ameen School, The Sheffield School, The Oxford School, The Diyafah International School, Dubai Gem Private School and the hosts, Al Diyafah High School. Each school was represented by two teams of two students each.

The quiz commenced at 10 am, with the first round being a written elimination round. Each team was presented with a set of 20 questions and 15 minutes in which, they had to write as many answers as they could. The top four teams with the most correct answers, would qualify for the finals.

The teams that made it through to the next round were: The Sheffield School, The Oxford School, Al Diyafah High School and finally, our very own Dubai Gem Private School with Pashan and Partha sailing into the finals.

It was a tightly-contested final, consisting of 6 rounds and several challenging questions. In a tense finish, the boys of DGPS stood up to the challenge and made DGPS proud, securing the first place with a stunning 95 points!

They received a trophy each, and the rolling trophy that DGPS would hold for a year. Vedika and Rida received participation certificates for their commendable efforts. It was a proud moment for DGPS and for Partha Shetty and Pashan Sidhwa, who came good when it mattered most, to uphold the school name high and proud!
