

مدرسة جواهر دبي الخاصة DUBAI GEM PRIVATE SCHOOL

Celebrating Earth Day- 22nd April in the Primary.

It was a day to showcase environmental education and awareness by engaging the primary student community, in making a difference.

The day began with the morning assembly led by the Eco Warriors of the Primary Section. After the Quran recitation and singing of the UAE National Anthem, the students were engaged in a 'Green Quiz', poem recitation by Year 2s, 3 Rs Fashion Parade and the 'Mother Earth Song' by the Year 5 and 6 girls.

The posters made with newspaper highlighted the importance of saving the Earth from plastic pollution and global warming.

During the day, power was switched off across the school for a minute. The staff and students observed silence and reflected on our existence on the Earth.

The primary students got together to put up an Art and Craft Exhibition of useful objects made with recyclable materials.

The Earth Day celebration in the school surely had a positive impact on one and all with each one feeling responsible to maintain beauty of the planet.
