We share planet earth with around 1-2 million different species of animals. They coexist and share the same resources with us. However recent human activities have caused the destruction of habitats and the extinction of many of these animal species. As humans we should be universally committed to protect, conserve and be kind to our animals. EEG encourages the participants of the 2019. Environmental Drawing Competitions to think creatively and draw their own unique and bold solutions in directing the earth to become planet that promotes "Kindness to Animals".

At the beginning of the New Year celebration, the visionary leaders of UAE declared the year 2019 as "The Year of tolerance". This neatly fits in into the 17 UN SDG Goals that pushes for sustainable and happy communities. Tolerance is a virtue and an intrinsic part of the UAE culture. It is observed at all levels individual, organisational and national. With more than 200 nationalities living peacefully and successfully in the UAE. The UAE society has been an undisputed example of being a tolerant and inclusive one. Under this theme, EEG implores participants to artistically bring life to this themethrough art - embracing the concept as "One World, One Family".

Only 5 best entries from each group will be selected.

All artwork submitted to EEG must be the original idea and creation of the artist.
