

مدرسة جواهر دبي الخاصة DUBAI GEM PRIVATE SCHOOL

28 April 2019

Dear Parents,

To support the UAE National Agenda Goals, KHDA introduced the National Agenda Parameter (NAP); a method to ensure schools measure and monitor their progress towards achieving the UAE National Agenda targets.

Attainment Testing (Progress Tests - English, Math, Science and NGRT)

Schools have a choice of which attainment tests to use, however the digital suite of Progress Tests (Math, English and Science) have once again been approved and recommended for use by KHDA for UK, IB, and other schools in Dubai.

GL assessment supports school improvement initiatives by showing the relative performance of pupils compared to national benchmarks. Testing year-on-year enables schools to track individual and group progress.

Students in DGPS (Year 2 -Year 10) will be appearing for the GL assessments **from Monday 29th April**. Schedule has been posted on D6

Please note that attendance is mandatory.
