Budding Tennis Star of DGPS - Sean Christopher Quadros of Year 4A

We are proud of Sean Christopher Quadros of Year 4A, who secured the  $2^{nd}$  place in the Orange series Tennis Tournament conducted by the Top Spin Tennis Academy under the UAE Tennis Federation on October  $22^{nd}$ , 2022.

Tennis is a great sport for developing a complete athlete. It improves agility, speed, stamina, eye-hand coordination, reaction time, strength, core conditioning, mental toughness, footwork, decision making, and focus all in a non-contact setting and it is great to see that Sean is an avid tennis player.

We wish him all the best for future competitions
