Feedback and Complaints Policy

Education and quality care are vital for every child's success

DGPS is committed to delivering high quality education and care. Working with parents to resolve any concerns or complaints is a key part of how we will deliver on this commitment.

About concerns or complaints

The Parent Feedback and Complaints Policy has been developed by the school to provide parents with a framework and detailed procedural information, for managing concerns and complaints made by parents of children attending DGPS.

Most communication can be managed without the need for formal procedures, provided that any concern is taken seriously and addressed at an early stage.

The first step in working through a complaint is to talk to your child's teacher (in the presence of the respective KSL) if it is classroom based or to a member of the leadership team if it is school based.
