Congratulations Mariam Munshi & Zahra Munshi

Stem for Life Talented Youth Bioblitz Challenge by Adnoc

We are excited to share the outstanding achievements of Mariam Afzal Munshi (Year 5B) and Zahra Afzal Munshi (Year 8C) in the **STEM FOR LIFE TALENTED YOUTH BIOBLITZ CHALLENGE** by **ADNOC**.

On the occasion of **World Environment Day**, these exceptionally talented students secured second and third places respectively, demonstrating the remarkable impact of youth engagement in sustainability. Their success coincides with our anticipation for the upcoming **COP28** climate conference. They've shown that anyone can be a Citizen Scientist contributing to UAE's biodiversity understanding.

In recognition of their dedication and passion, Mariam and Zahra were awarded certificates and received a prize of the Galaxy Watch 4.

Well Done Mariam and Zahra!
