Heartiest Congratulations to the Inter-school Debate Champions!

Muhammed Usman, Zoheb Ali Asgar, Amna Raees, and Sienna Lewis of Year 11 won the inaugural Emirates Debate Competition, which was held at Al Diyafah High School in Dubai on the 14th and 15th of October. The Emirates Debate Competition aimed to unite skilled, energetic, and like-minded debaters from across the UAE.

The event comprised of prepared, semi-prepared, and impromptu rounds where 20 teams competed against each other over the 2 days in the battle of words.

By participating in the competition, students got the opportunity to not only hone their public speaking skills but also learnt how to work in teams, thereby displaying collaboration and cooperation. Several of them used the platform to even showcase their leadership skills by shouldering the responsibility of forming their teams and carving their pathway to success.

Hoping that the winners will use their talents and their skills to win more laurels to take Dubai Gem to even greater heights in the future.
