CELEBRATING SHANELLE'S RECENT ACHIEVEMENTS!

We are incredibly proud to share the recent accomplishments of Shanelle D'Souza, one of our talented students of Year 5.

During her summer holiday, Shanelle traveled to Singapore and participated in her very first international tennis tournament, the STA SPEX U10 Tournament, organised by the Singapore Tennis Association. Competing against 39 other young athletes, Shanelle won all 7 of her matches, earning the top spot on the leaderboard.

More recently, on her return to Dubai, Shanelle took part in the Dubai Summer Surprise Run, held at Dubai Festival City Mall. In her first-ever 2.5km race, she ran an impressive time of 11 minutes and 41 seconds, securing a well-deserved 2nd-place podium finish.

We congratulate Shanelle on these amazing accomplishments and look forward to seeing her continue to shine both on and off the court!
